

Continuing Professional Development (CPD)

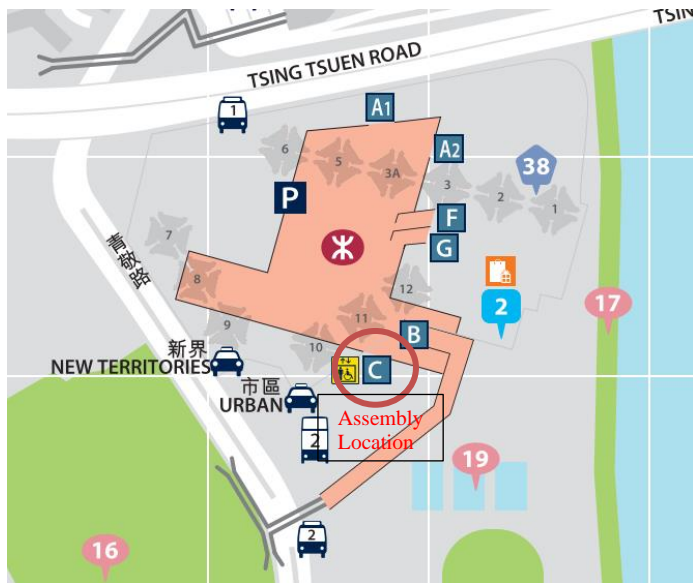

Technical Visit: Strategy on Water Loss Management and Field Demonstration of Leak Detection

- Date** : 8 November 2024 (Friday)
- Time** : 1:45 pm at Kowloon Tong Rail Station/ 2:10 pm at Tsing Yi MTR Station
(Assembly time and late join will not be entertained)
02:30 pm – 05:30 pm
- Venue** : "Q-Leak" Leak Detection Training Ground

Assembly Location:
Kowloon Tong Rail Station Exit D (See below)

Tsing Yi MTR Station Exit C (See below)

*Round-trip transportation will be provided.

Programme Highlights : Q-Leak, the underground water mains leak detection training center, was constructed by Water Supplies Department (WSD) and opened on 26 July 2021 to provide better facilities for strengthening the industry with training and research capabilities on leak detection.

The WSD envisages Q-Leak to serve as a teaching and research cooperation platform amongst the department, the trade and post-secondary education institutions in Hong Kong in the field of water mains leak detection, with a view to elevating Hong Kong's leak detection technical level and excellence and contributing to the management of precious water resources of the territory.

Please join us for a visit to “Q-Leak”, where representatives from Water Supplies Department (WSD) will show you the Methods & Technologies for effectiveness of leak detection, as well as field demonstration to enable the implementation of risk-based improvement works for water mains.

Speaker : Professionals/Technical Staff of WSD

No. of Participants : 25 (*Registration is on first come first reserved basis*)

Language : Cantonese (No material will be distributed)

CPD Certificate:

Three hour CPD certificate will be given one month after the visit.
