

## Continuing Professional Development (CPD) Course

### Plumbing, Technologies and You

#### Jointly Organized by

**The Chartered Institute of Plumbing & Heating Engineering – Hong Kong Branch**

**(CIPHE-HKB) and**

**Society of Operations Engineers – Hong Kong Region (SOEHK)**

The CIPHE's technical credibility has been enhanced with a licence to award Chartered Engineer status. It means that even more members can benefit from professional registration. As a licensed professional body, the Chartered Institute of Plumbing & Heating Engineering (CIPHE) has been registering suitably qualified members at Engineering Technician (EngTech) and Incorporated Engineer (IEng) levels for 43 years. After undergoing a licence review by the Engineering Council the CIPHE will now be able to offer a route to become a Chartered Engineer (CEng).

To facilitate Licensed Plumber and professional engineers in the industry with most updated understanding on WSD regulations and most advanced Plumbing Technologies, CIPHE-HKB is now organized a CPD webinar which co-organized with SOEHK on sharing the captioned topic by Professional Engineers. This CPD webinar aims to:

This CPD aims to:
